

# Zilenzio

Selling silence

## Installation instruction - Dezk & Entré

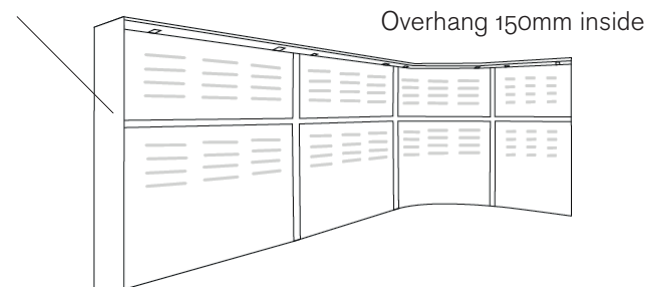

1. The parts are labeled with numbers on the top where the top plate will sit. 1 to mate with 1, 2 are to be paired with 2 etc.

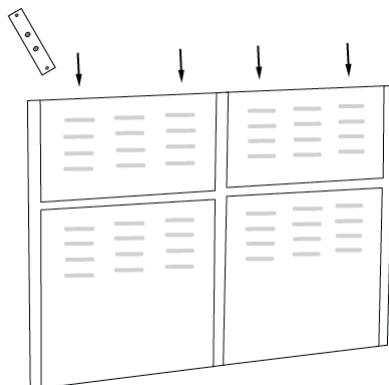

2. IMPORTANT !! , Ensure that the modules are in balance with each other to fit will be as good as possible. Use the adjustable feet to adjust this.

3. Screw the side walls on the sides of the counter.

4. Screw the bracket to the top disc in the recessed grooves.

5. Place the disc and then screw it from underneath.
